Hi Steve:

I had a problem with the scanner, but the info seems to have been captured. Let me know if you need nicer copies. The page entitled "Betsy's Notes" are meeting minutes with the evidence office supervisor (Betsy OBrien). The "Chronology of Events" was compiled by Julie Nassif, Division Director, retrospectively. CS is Chuck Salemi, supervisor of the drug lab. Let me know if you have any questions. another email to follow.

Thanks,
Linda
